## Permission to use student artwork

Dear Parents/ Guardians,

We are contacting you to seek permission to use your child's artwork created during arts classes (drama, dance, music, media arts, and visual arts) at school. A team of educators creates educational resources for these subjects, which are available for free on the Creative Arts Circles website.

Creative Arts Circles requests your consent to use your child's artwork for promotional and publicity purposes, as well as for broader initiatives to promote primary school arts resources. This may involve copying, reproducing, editing, adapting, and sharing the artwork in printed and digital formats, including on the Creative Arts Circles website.

### **Consent and information:**

- Your child will be identified as the creator of the artwork by their first name only, and the publications may also reference their age.
- Parents/guardians should be aware that when information is published on public websites and social media channels, it can remain discoverable online for years, if not permanently.
- Search engines may also cache or retain copies of published information.
- Third parties can also link to published information.
- We note that the Creative Arts Circle group will not commercially exploit the artwork (for example, by providing it to others for a fee).

If you agree to permit Creative Arts Circles to use the artwork in this manner, please complete and sign the permission request below and return it to your child's arts teacher at school. If you have any questions or concerns, feel free to contact us.

Thank you for your support.

Sincerely,  
Dr Marthy Watson
